REMARKS

[Redacted] brought this to us at 1045.

I had Dan Kine hand carry one copy to [Redacted] for Hank Mahoney (1100 AM).

DC/Home/OL has picked up a copy for [Redacted]

Is this a CCB decision or are we doing business in the same old way?

DO NOT use this form as a RECORD of approvals, concurrences, disapprovals, clearances, and similar actions

FROM: (Name, office symbol, room number, building, Agency/Fact)	Room No. — Bldg.
[Redacted]	Phone No.

Harry:

On the basis of Mahoney's briefing of me a couple of months ago, and the back and forth with him regarding the space problem, I now understand the problem to be 533,000 sq. ft. (The 190,000 sq. ft. for ICS, OTE, FBIS, OP and OMS plus 154,000 sq. ft. for the Headquarters "backfill" offices including Audit Staff, OGC, OIA, [] etc., plus 78,000 sq. ft. plus 81,000 sq. ft. plus 30,000 sq. ft. identified in your various graphics.)

To solve this 533,000 sq. ft. problem: 93,000 sq. ft. is available as Headquarters backfill, 144,000 sq. ft. is available [] and 296,000 sq. ft. must be found (or we must decide to keep some existing space).

The following represents one man's sense of what we ought to do with the 93,000 sq. ft. of Headquarters building space:

OIA	42,000 sq. ft.
OGI	10,000 sq. ft.
SE/DDO	4,000 sq. ft.
[]	5,900 sq. ft.
CCS	14,700 sq. ft.
OGC	13,200 sq. ft.
IG/Audit Staff	5,600 sq. ft.

This adds up to 95,400 sq. ft. (We'll have to squeeze just a little bit.)

I'd appreciate your reaction and views on all this.

Thanks,

Distr.
